PROTECTIVE AGREEMENT

THIS AGREEMENT is dated as of October 24, 2011, and is by and among Vermont Electric Power Company, Inc. and Vermont Transco LLC ("VELCO"), and Central Vermont Public Service Corporation ("CVPS") (together, the "Companies") and the State of Vermont Department of Public Service (the "Department" or "DPS") (the Companies and the DPS will be sometimes referenced herein, where the context requires, as a "Party" and collectively as the "Parties");

WHEREAS, the Parties desire to cooperate in the provision of information relevant to the issues to be litigated in Vermont Public Service Board ("Board") Docket No. 7763 regarding the construction of Bennington Substation Project, including: (1) the construction of a new VELCO Bennington substation and a new CVPS substation at a new location; (2) the removal of VELCO's existing Bennington substation; (3) the modification of the existing CVPS Woodford Road substation; (4) the installation of a temporary CVPS switch; and (5) the construction of associated transmission plant, all in the town of Bennington, Vermont (the "Project") as may be reviewed in this docket;

WHEREAS, the Companies have information pertinent to the Project that they desire to provide to the Parties, which the Companies believe could result in financial and/or competitive harm to the Companies or might threaten the security of local, regional or national energy infrastructure if they are required to disclose such information to the public, and which information the Companies believe to be proprietary, privileged, confidential or in the nature of a trade secret (which information is referenced herein as "Allegedly Confidential Information" or which the Companies believe to be Critical Energy Infrastructure Information ("CEII") and is specifically described on Schedule I (for Allegedly Confidential Information) or Schedule Ia (for CEII) attached hereto, which Schedule(s) may be amended only in accordance with the terms of this Agreement);

WHEREAS, the Companies desire to disclose Allegedly Confidential Information or CEII only to Parties that have executed Schedule IIa or Schedule IIb, as appropriate, to this Agreement or, in certain situations, only to the Board or to the Department for review in accordance with this Agreement; and

WHEREAS, the Parties have agreed to the procedures established in this Agreement for the disclosure of Allegedly Confidential Information or CEII to the Parties, the Department, and/or the Board and to provisions for holding such Allegedly Confidential Information or CEII in confidence;

NOW, THEREFORE, in consideration of the mutual covenants and promises set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

1. If the Companies seek to place information under this protective agreement, they shall file an averment, as described in paragraph 2 of the protective order, which is attached as Schedule IV to this agreement, with the Department. If the Department agrees to treat specific information to be provided by the Companies as Allegedly Confidential Information or CEII, the Companies will submit to the Board and all Parties a copy of Schedule I or Ia, as appropriate, as from time to time revised in accordance with the terms of this Agreement, identifying each such item of Allegedly Confidential Information or CEII and signed or initialed by the Department to evidence its agreement to treat such item as Allegedly Confidential Information or CEII. This Agreement applies only to that information that the Companies and the Department agree will be treated as Allegedly Confidential information listed on Schedule I or CEII information listed on Schedule Ia. Schedule I or Schedule Ia may be amended only by agreement of the Companies and the Department. Upon agreement of the Department to Schedule I or Ia, or an amendment thereto, the Company seeking to place information under this protective agreement shall file the same averment, previously filed with the Department, with the Board as required by the protective order which is attached as Schedule IV to this agreement. If the Department does not agree to treat specific information to be provided by the Companies as Allegedly Confidential Information or CEII, the Companies may request a hearing before the Board by seeking a protective order as provided under V.R.C.P. 26(c). The Companies shall file their request in writing with the Board and Parties within seven (7) business days of their receipt of a denial by the Department that such information can be treated as Allegedly Confidential Information or CEII under this Agreement. During the seven-day period, the information shall be treated as Allegedly Confidential Information or CEII under this Agreement. If the Companies file a

timely request with the Board and the Parties, the information shall be treated in accord with paragraph 17 of this Agreement.

2. The Department may obtain Allegedly Confidential Information or CEII by submitting to the Companies' counsel Schedule IIa attached hereto, which incorporates by reference this Protective Agreement. If such a request is made for Allegedly Confidential Information or CEII, the Companies, through their counsel, will provide one copy of the Allegedly Confidential Information or CEII sought by the Department or otherwise make such Allegedly Confidential Information or CEII available. The Department will afford access to the Allegedly Confidential Information or CEII only to its employees and consultants who have executed Schedule IIa and returned the executed Schedule IIa to the Companies' counsel. The Department shall make only one copy of any Allegedly Confidential Information or CEII for each individual who has executed Schedule IIa, except as otherwise provided in Paragraph 4 hereof.

3. A Party other than the Department may obtain Allegedly Confidential Information or CEII by submitting to the Companies' counsel the Protective Agreement attached hereto as Schedule IIb and its request by Schedule III hereto. If such a request is made for Allegedly Confidential Information or CEII, the Companies, through their counsel, will provide one copy of the Allegedly Confidential Information or CEII sought to such Party, or otherwise will make such Allegedly Confidential Information or CEII available to such Party, except those documents or portions thereof excised based on legal objection and duly noted by counsel for the Companies, including, but not limited to, objections based on CEII, relevance, privilege, or discovery that is burdensome, cumulative or requires disclosure of confidential commercial

information or trade secrets. Each such Party will afford access to the Allegedly Confidential Information or CEII only to such employees, consultants and other representatives who have executed Schedule IIb and are named in Schedule III to this Agreement and returned the executed Schedule IIb to the Company's counsel. A Party shall make only one copy of any Allegedly Confidential Information or CEII for each individual who has executed Schedule IIb, except as otherwise provided in Paragraph 4 hereof.

4. Documents containing or incorporating Allegedly Confidential Information or CEII to be offered in evidence under seal may be copied as necessary for that purpose. The Parties' counsel, personnel and consultants, who have agreed in writing to be bound by this Agreement, may take notes regarding such Allegedly Confidential Information or CEII, but only as necessary for preparation for proceedings in Docket No. 7763 concerning the Project. Such notes shall be treated the same as the Allegedly Confidential Information or CEII from which the notes were taken and shall not be used for any purpose other than as specified herein.

5. No Party that has executed this Agreement, no person representing such Party, no agent of such Party or Expert associated with such Party, that is afforded access to the Allegedly Confidential Information or CEII shall use the Allegedly Confidential Information or CEII for any purpose other than the purpose of preparation for and conduct of Docket No. 7763 concerning the Project, including appeals of any order or ruling therein, and then solely as contemplated herein. Each such Party, and each such representative person, agent or expert witness, shall keep the Allegedly Confidential Information or CEII secure and shall not disclose it or afford access to it to any person not authorized by this Agreement to receive same. Nothing in this Agreement precludes the Department from using Allegedly Confidential Information or

CEII obtained hereunder either to seek a Board investigation (provided that the Department continues to treat such Allegedly Confidential Information or CEII pursuant to the protective terms of this Agreement) or request that the Allegedly Confidential Information, CEII or similar information be provided by the Companies in any other context.

6. There must be a good-faith basis for all claims of confidentiality. Claims without such a basis may result in sanctions against the party making the unfounded claim. A party's public disclosure of information that it has designated as Allegedly Confidential or CEII may indicate that the party lacked a good-faith basis for that designation.

7. All documents filed with the Board that are subject to the Protective Agreement as Allegedly Confidential Information or CEII and any documents that discuss or reveal documents that constitute Allegedly Confidential Information or CEII shall be filed by filing such information in sealed envelopes or other appropriate sealed containers on which shall be endorsed the caption and docket number of the proceeding, the nature of the contents (materials, discovery response, report, etc.) and a statement that it shall not be opened or released from custody of the Clerk of the Board except by order of the Board. Notwithstanding such a statement, the members of the Board, and any employee or consultant specifically authorized by the Board to assist the Board in this proceeding and any Hearing Officer appointed to this Docket, may have access to such sealed Allegedly Confidential Information or CEII, but shall not disclose the contents of any such sealed information to any person who has not agreed to be bound by the Protective Agreement.

8. The Board will retain jurisdiction to make such amendments, modifications and additions to this Order as it may, from time to time, deem appropriate, including any such

amendments, modifications or additions resulting from a motion made pursuant to the Protective Agreement. Any Party or other person may apply to the Board for an amendment, modification or addition to the Protective Order issued in accordance with this Agreement.

9. Should the Department or any other Party receive any subpoena, or any request pursuant to any Vermont law regarding access to public records, for any document or information received from the Companies pursuant to this Agreement, the Department or such other Party promptly shall notify the counsel or other representative of the Companies of the pendency of such subpoena or other request, and shall abide by the terms and conditions of this Agreement unless and until ordered otherwise by a court or administrative body of competent jurisdiction. Nothing in this Agreement shall limit or waive in any manner any rights that the Companies may have under applicable law to seek protection against disclosure pursuant to a subpoena, a request for access to public records, or any other request for information.

10. If a Party wishes to prefile any testimony or exhibits that include or otherwise disclose Allegedly Confidential Information or CEII, that Party must give five business days' advance notice to counsel for the Party that designated the information as allegedly confidential or CEII. Any Party may move the Board for an order that the testimony or exhibits be filed under seal or under other conditions to prevent unnecessary disclosure.

- a. If such motion is filed within the five-business-day advance notice period, the proponent of the testimony and exhibits shall place them in a sealed record by filing such documents in sealed envelopes or other appropriate sealed containers on which shall be endorsed the caption and docket number of the proceeding, the nature of the contents (exhibit, report, etc.) and a statement that it shall not be opened or released from custody of the Clerk of the Board, except by Order of the Board or Hearing Officer. Notwithstanding such a statement, the members of the Board, and any employee or consultant specifically authorized by the Board to assist the Board in this proceeding and any Hearing Officer appointed to this

Docket, may have access to such sealed Allegedly Confidential Information or CEII, but shall not disclose the contents of any such sealed information to any person who has not agreed to be bound by the Protective Agreement. The Board or Hearing Officer will then determine whether the proffered evidence should continue to be treated as confidential information or CEII and, if so, what protection, if any, may be afforded to such information.

- b. If no such motion is filed by the end of the five-business-day advance notice period, the testimony and exhibits may be filed as a document available for public access.

11. At any hearing or conference in this proceeding, no witness may be questioned with respect to any Allegedly Confidential Information or CEII, unless examining counsel has provided advance notice to counsel for any party or other person that designated the information as Allegedly Confidential or CEII. To the extent possible, such notice shall be given prior to the commencement of the hearing or conference. Any party may move the Board for an order that the testimony be received *in camera* or under other conditions to prevent unnecessary disclosure. If such motion is made, the Board or Hearing Officer will then determine whether the testimony should be received *in camera* or subject to other protection.

12. The Companies may make a written request to the Department or other Party for the return of allegedly confidential information or CEII. Such request shall be made within sixty (60) days after final decision, order or judgment in this docket, unless appeal from such decision, order or judgment is taken, in which case the request shall be made within sixty (60) days after the conclusion of the appeal and any remand or further appeal therefrom. Within sixty (60) days of such a request by the Companies, the Department or other Party shall: (a) return the Allegedly Confidential Information or CEII to the Companies' counsel, except for those portions of the Allegedly Confidential Information or CEII which have been made public; (b) cause its

employees and consultants to destroy any notes taken concerning, or any documents or information in any form incorporating, Allegedly Confidential Information or CEII which has not been made public, and (c) advise the Companies in writing that the requirements of this paragraph have been met. Notwithstanding the foregoing, nothing in this paragraph shall require the Department to destroy notes, documents, or information in violation of statute.

13. No signatory hereto shall assign to any other person its rights or obligations hereunder, and any such assignment by any signatory of the rights and obligations hereunder shall be null and void.

14. An individual's access to Allegedly Confidential Information or CEII ceases upon termination of employment with a Party, and any individual who terminates employment with a Party who has executed this Agreement or Schedule IIa or Schedule IIb shall continue to be bound by its terms.

15. This Agreement is made under and shall be governed by the laws of the State of Vermont.

16. This Agreement shall in no way be deemed to constitute any waiver of the rights of any Party to Docket No. 7763. The foregoing provisions of this Agreement notwithstanding, any Party to Docket No. 7763 may at any time, to the full extent allowable by applicable law, contest any assertion or appeal any finding that specific information is or should be Allegedly Confidential Information or CEII or that it should or should not be subject to the protective requirements of this Agreement. The Parties hereto retain the right to question, challenge and object to the admissibility of any and all Allegedly Confidential Information or CEII furnished by the Companies under this Agreement on any available grounds, including, but not limited to,

competency, relevancy and materiality. Any Party may at any time seek by appropriate pleading to have Allegedly Confidential Information or CEII submitted under this Agreement, or under protective order issued by the Board or Hearing Officer pursuant to this Agreement, removed from the coverage of this Agreement or the order.

17. In the event that the Board or a Hearing Officer in Docket No. 7763 should rule that any information is not appropriate for inclusion in a sealed record, or should be disclosed to a Party where the Companies object to such disclosure under Paragraph 3 of this Agreement, the Parties agree that, at the request or upon the motion of the Companies seeking protection of such information from disclosure, such information will not be disclosed until the later of five business days after the Board or Hearing Officer so orders, or, if the Companies file an interlocutory appeal or request a stay of such order, the date upon which such appeal or request is decided; provided, however, that such period of time may be extended in accordance with any stay ordered by the Board or a reviewing court.

18. The Parties promptly will submit to the Board a proposed Protective Order in the form attached hereto as Schedule IV that, if adopted, will set forth the procedure for treating Allegedly Confidential Information or CEII in a sealed record.

19. Each Party warrants that it will act in good faith and will not do anything to deprive any other Party of the benefit of this Agreement.

20. This Agreement may be amended or modified only by a written document signed by the Parties hereto.

21. The Parties have entered into this Agreement to expedite the production of information necessary for the Project, to minimize the time spent in discovery disputes, and

facilitate the progress of these investigations to the fullest extent possible. Entry into this Agreement shall not be construed as an admission by any Party regarding the scope of the Party's statutory right to information, nor shall it be construed as a waiver of the right to raise any and all appropriate confidentiality issues in future dockets.

22. Information that is designated by the Companies as Allegedly Confidential Information or CEII pursuant to this Agreement that a Party also obtains independent of this Agreement is not subject to this Agreement.

23. The Companies shall not seek the disqualification of any Department employee, consultant, or other representative as to any authorized Department activity on the grounds that such person reviewed information provided hereunder.
